## The" Arnold" Week

Manufacturers' Representative Here This Week

The "Arnold" Fine and Soft Knit Goods for Infants and Children

These goods have a national reputation and are endorsed for their superior hygienic qualities. The materials and styles are most desirable.

The distinguishing features of the 'Arnold'' Knit Goods are their fine

and soft texture, their washable and wearable qualities, the thoroughness of make and the supreme comfort they give to all who wear them.

### The "Arnold" Knit Night Drawers (Winter and Summer Weights)

cover the child from head to feet and are made with or without feet. Protect the child while sleeping, from becoming uncovered and contracting colds. Easily washed and do not become hard and dull like flannel. Prices from 60 cents upwards. Sizes one to 10 years. Ask for photographic catalog containing "suggestions in dressing infants and children."

stances upward—notably on pottery
—was the keynote of Candidate Tatt's
ten speeches. In none of them did he
forget to "go after" his Nebraska op-

Lesterville, Scotland and Vermillion
Judge Taft's voice permitted him to
be heard fairly well. His speaking assistant during the day was Representative J. Adam Bede, of Minnesota,
who jokingly referred to the candidate
as the "upholetered statesman."

He said the great distinction between Taft and Bryan was that you
rould see Taft much further than you

could see Taft much further than you could hear him, and you could hear Bryan much further than you could him, or ought to follow him,

The manner of speech Mr. Taft de-livered during the day may be learn-ed from the following extract of re-marks made at different places flong the road. His speeches at Mitchell and at Sloux City were along the same City Prison Boasts of a Remarkable

"The difficulty about Mr. Bryan, my distinguished opponent, is that he is and the Republican party and its candidate are trying to stand by his record. Mr. Bryan yesterday invited my consideration to a number of loss of men. There are only four men and the Republican party and its candidate are trying to stand by his resord. Mr. Bryan yesterday with the fact of the Topeka policy for the form of the trying the histored the Topeka policy for men. There are only four men to the which he is capable, on the condition the farmers were in when he was, so to speak, at the helm. I don't think he called your attention to the products until the repeal of the Gorman-Wilson tarif bill of which he was one of the chief advocates. He did not refer to the fact with any degree of significance, that wheat until the repeal of the order of the fact with any degree of significance, that wheat until the repeal of the form of the condition to the fact that corn was at 21 cents; that onto the fact that corn was at 21 cents; that onto the fact that after the Deunocratic party. Indeed, the fact with think that was at 10 cents, nor did he dwell on the fact that after the Deunocratic party. Indeed, the fact with any starty of the fact with the result of difficulty, he proposed a method by which we should repudiate haif our debts and in that way starger back to prosperity. I don't think he invited your consideration to the fact which he was adopted by the vote of 1896, every one of the propeles with the pen under the helm. In 1890, I don't think he invited your consideration to the fact which he was at 190 cents, the condition of the fact with the work of the propeles we abandoned that a wini issue, awful policy of impertalism, by clearly the fact of the fact with the work of the propeles we abandoned that a wini issue, awful policy of impertalism, by clearly should be revised down or up.

are to be found here.

TALKS TO FOUR STATES. My own impression is, without being familiar with the schedules as an expert, that in most cases the operation of the protective tariff has been nor-

mostly downward, but it some its stances upward—notably on pottery—was the keynote of Candidate Tarts spect probably the tariff ought to be spect anything from the Republican party because it is governed by the properties and that they contribute to the campaign fund. If they can passent is a spect probably the tariff ought to be spect probably the tariff ought to be spect probably the tariff ought to be spect anything from the Republican party because it is governed by the the form the Republican party because it is governed by the protective interests and that they contribute to the campaign fund. If they can passent is a spect probably the tariff ought to be spect anything from the Republican party because it is governed by the protective interests and that they contribute to the campaign fund. If they can passent is an interest and the two contributes to the campaign fund. If they can passent is an interest and they can passent in the creation of the campaign fund. If they can passent is an interest and they can passent in the creation of the campaign fund. If they can passent is an interest and they can passent in the creation in the campaign fund. If they can passent is an interest and they can passent in the creation for they can passent in the creation for they can passent in the creation fund in the campaign fund. If they can passe

## M'LAURIN DEFIANT.

Says He Took Standard Oil Money and Glories in It.

ng signed statement regarding the lig signed statement regarding the correspondence between himself and John D. Archbold, vice president of the Standard Oil company, as recently made public by W. R. Hearst:

"An effort has been made to create a political sensation by the publication of certain correspondence between Mr. Archbold and myself. For that correspondence I have no apology to

respondence I have no apology to make. At the time that the letters were written I had the honor to enjoy, and am still proud to possess the friendship of Mr. Archbold for whom I have the highest regard. At the time the letters were written I was considered in which

intellectually officered corporation that human intelligence has yet produced. Nor has the enormous body of statutory crime since created or the hypo-critical affection of morality assumed by some of our legislatures and con-gress in any wise changed my point of view or quickened my conscience of expediency as seems to have been the case with some of my former col-leagues and associates.

"The constituencies that they repre-sent do not hesitate to take Mr. Carne-gie's trust produced and tariff protected money for their churches and libraries, or to accept Mr. Rockefeller's large donations for the education of the negro whom they have disfran-

"If political campaigns are to be run without money and political progress of the protective tariff has been normal; the cost of production has been to be achieved without financial expected to these schedules should be downward. There are few—pottery is one—in which no such change has taken place. Indeed, the condition has been the other way, and in that respect to these schedules should be apprized of the arrival of that Utopian era, but until that period has arrived I can see no mostly downward, but in some instances upward—notably on pottery—was the keynote of Candidate Taft's raised.

party can gather such influence, to bring about an honest and thorough revision of the tariff on the one hand, protecting the industries by the method of protection explained and on the other hand seeing that that measure is not too great in the interest of the consumer."

Judge Taft slept in his private car in a quiet sidetrack at South Sioux City. With nine or ten speeches in Nebraska he will reach Lincoln, the home of Mr. Brynn, at 3 o'clock where he will spend the night.

CWELLE ON DOCK BILE Juence which intelligence has always exercised under every form of government thus far devised. Of a government of ignorance, I have had enough in my native state. I hope for and shall continue to work for a govern-"JOHN LOWNDES M'LAURIN."

DUE TO OLD SHOES.

Chicago, Sept. 30.—John E. Red-mond, leader of the Irish Nationalists, accompanied by Mrs. Redmond. Joseph Devlin, M. P., and John Fitz-gibbons, chairman of the Ross common council, arrived in Chicage this morning and were greeted by officials of the Irish United societies and dele-gations from other organizations in sympathy with the efforts of the Irish

After a luncheon at the Chicago club, given by Medill McCormick, Mr. Redmond was taken on a sightseeing tour through the stock yards and other sections of the city, while Mrs. Redmond made a tour of the shopping district under the suidance of memdistrict under the suidance of mem-bers of the Catholic Woman's league and other women's clubs. Later she was given a reception in the Audi-

## LETTERS WERE STOLEN

Archbold Explains How Hearst Got His Ammunition.

of the discussion of the so-called sary to build more stables at the grounds, and at a meeting of the fair directors the contract for two new barns was let. The barns will be 125x24 feet, and will accommedate 25 horses forth details of the alleged. Hearst, was entered upon when John forth details of the alleged theft of the correspondence from his files. Former U. S. Senator McLaurin of South Carolina also entered the field with a signed statement declaring his attitude in the matter of the correspondence between himself and Archbold.

Mr. Archbold said:

"In response to many inequiples as the

Mr. Archbold said:
"In response to many inquiries as to the theft of letters from files, the following may be made known:
"Over three years ago a report reached me that certain of my letters had been offered for sale to newspapers of this city, avowedly as stolen letters. Examination showed that some shirt" into the freedom of an enlightened self litterest and the progress of
an intelligent industrialism.

"In the support of these principles
and the hope of this progress I saw
no impropriety in enlisting, if practicable, the assistance of the most progressively administered, and the most
ntellectually officered corneration that

combination knob, the bandit leaped towards the door.

The way was blocked by Miss Barbara Walters, the company's stenographer, and Henry Gallagher, the bookkeeper.

"If you raise a hand to stop me I'll kill you both," the thief said, as he levelled the sevolver. Springing over a railing, the robber, who was masked, reached the door before Miss Walters or Gallagher could attract the attention of the large force of employes who were within hearing distance. He ran to a nearby street, where it is thought a horse and buggy were waiting for him.

The door of the vault was quickly the door before had induced the employe already suspected to accomplish the theft. According to the go-between's story he had disposed of the letters, or some of them, to two men who purchased them on behalf of Mr. Hearst's newspaper, the Journal. Not had stolen letters been thus traded for, but the thief was induced traded for, but the thief was induced to carry off one or more letter copying books, many of whose pages he claims were photographed, other pages being removed altogether. The books in question were, the go-between said, returned after 48 hours. It is impossible to contact the contact of th Their County Speech Making Started Last Night.

The Democratic campaign in Shawnee county was opened with a meeting mention names. Corroboration of the go-between's story of three years ago lay in his return of some of the correspondence at the time. The production of stolen letters by Mr. Hearst is further corroborated now. Obvious-J. ly among such a coterie, authenticity for of their output is not to be lightly ac-

## LITTLE IS LEFT.

Michel, B. C., Is Again Swept by Fire of Unknown Origin,

Spokane, Wash., Sept. 20 .- The own of Michel, B. C., was again swept by fire early Tuesday morning, the cause being unknown. Practically all the business houses were wiped out except the Great Northern hotel, the Kootenai hotel, a drug store, a barber shop and a billiard hall. The loss is estimated at \$20,000 with small insur-

lege team at Springfield on Monday, returning to Lawrence on the follow-

### TODAY'S MARKET REPORTS

Chicago, Sept. 20.—WHEAT—The wheat market opened easy, owing to scattered selling brought about by weak cables and continued liberal receipts in the northwest, but a firmer tone soon developed on fair demand by several leading commission houses. Offerings after the opening spurt were rather limited. A feeling that a rally was due after a two days' decline seemed to be prevailent in the minds of many traders. Initial quotations were as shade higher to \$2 to \$2 to were with December at \$80 to \$90 to. Later December sold up to \$90 to. Minneapolis. Duluih and Chicago reported receipts of Le33 cars, against 1,231 last week and 756 a year ago. The market developed moderate firmness late in the session, owing to the strength of the northwestern markets and December advanced to \$1.00. The close was firm with prices \$2 to \$50.00. The close was firm with prices \$2 to \$50.00. The close was firm with prices \$2 to \$50.00. The close was firm with prices \$2 to \$50.00. The close was firm with prices \$2 to \$50.00. December corn, but future deliveries were barely steadying owing to renewed sciling by local longs. December opened a shade lower to a shade higher at \$50 to \$50 c and sold oc to \$50 to. Local receipts were 105 cars, with \$2 of contract grade.

A slump of \$50 occurred in September during the last half hour of the session. Chicago, Sept. 20.-WHEAT-The wheat

ade. A slump of 3c occurred in September tring the last half hour of the session heavy realizing sales, the price droping from 79c to 76c. The future delivies in the meantime were firm. The se was irregular, September being weak of 15c to 2c lower at 76c to 754c, and futures firm, with December up 2c 655406554c.

OATS—Outs were irregular, the Septem-oATS—Outs were irregular, the Septem-ier delivery being strong and the op-ions easy. Shorts were active bidders for the current month, but afferings were ight. December opened unchanged at 49% and sold off to 48%@48%c. Local receipts tene 32 cars. PROVISIONS—Renewed liquidation of October pork was the feature of trade in provisions and this selling caused an easier tone throughout the entire list Prices at the opening were 2½c to 26c

New York Stock Market. Wall St. New York Sept. 30.—STOCKS— The opening demand for stocks today was light and the spward movement of prices although distinct, was sluggish. Only a few stocks rose more than a small fraction. Missouri Farific gained II; and Union Pacific, Reading and Baitimos and Ohio 1.

## GRAIN SHIPPERS J. G. WEST & CO., Topeka, Kansa,

Correspondence Solicited. Ask for Our 8 ds

Reading, Union Pacific and Consolidated Gas lost their gains and some of the other active stocks declined to below yesterday's closing. The market subsequently rose to onbout the highest again in sympathy with a varied demand for a number of specialties.

Offerings of stocks decreased after midday and prices accordingly hardened. Union Pacific rallied to 158 and Rock Island preferred stiffened to 41, but the demand for the rest of the list was not sufficient to change prices much.

The market showed its narrow professional character by its fallure to maintain any consistent tone. Prices yielded to below last night by noon. International Paper preferred lost 5%. Canadian Pacific had risen 1% and Chicago and Alton preferred 1%.
